

Handwriting Personality Assessment

Please follow the steps below. Your handwriting will be analyzed to better understand your personality and thinking style.

Writing Prompt

1. Use **cursive handwriting** if possible.
2. Write using a **blue or black** pen.
3. **Do not** write on **lined paper** - this page already has space for your writing.
4. Try to sit comfortably and write naturally.
5. Please **do not erase or rewrite** words.

Choose One Please complete one of the following handwriting samples:

Option 1 (Quick): Copy the sentence below exactly as written: "The quick brown fox jumps over the lazy dog." This sentence includes every letter of the alphabet and helps us analyze letter shapes and spacing.

Option 2 (Detailed): Write at least 5 to 7 sentences in response to this prompt: "Describe your ideal day. What would you do, where would you go, and how would you feel?" This helps us understand your natural writing style and rhythm.

(optional)
Your Age): ____ / ____
